Exception of type

ndTouch.Deki.Script.Runtime.DekiScriptUndefinedNameException'

was thrown. (click for details)

***An independent federal agency investigating  
chemical accidents to protect workers, the  
public, and the environment.***

U.S. Chemical Safety Board (CSB) Chairman  
Rafael Moure-Eraso calls for a ban on the  
cleaning out of debris from gas piping using  
pressurized natural gas, a practice that is  
referred to in the industry as a gas blow.
